Rc.No.1755/W/50 dated 13th Oct. 1950.

Sir,

Sub:- South Kanara District - Udipi Sub Division - Temporary additional staff - Permanent retention - sanction requested.

Ref: (1) G.O.Ms.No.1699, Home, dated 31.5.45.
(2) G.O.R.No.755, Home, dated 24.3.50.

I request the Government to sanction the permanent retention, with effect from 9.7.50, of the temporary additional staff of 1 Deputy Superintendent of Police and 1 Lower Division Clerk originally sanctioned in the first Government Order cited.

2. This temporary staff of 1 Deputy Superintendent of Police with the Lower Division Clerk was employed from 9.7.45 and it has been in existence continuously for a period of 5 years. This staff by completing five years of existence by 8.7.50 has qualified for permanent retention.

3. In this connection, I invite the attention of the Government to paragraph 2 of my letter Rc.No.174/W/50 dated 3.3.50 and have to state that the reasons given therein for the continuance of this staff still hold good. I, therefore, consider that its retention on a permanent basis is quite essential and request the Government to sanction the permanent retention of these posts with effect from 9.7.50.

HOME DEPARTMENT.

Police - South Kanara Dt. - Udipi Sub-division - Temporary addl. staff - Permanent retention.

From the I.G. of Police, Rc. No. 1755/W/50, dated 13.10.50.

In para 3 of G.O. No. 780, Fin., d/19.7.49 the Govt. have directed that all tempy. posts in the offices of the Heads of Depts. and in subordinate offices which are over 5 years old and 50% of those between 3 and 5 years may be made permanent immediately provided it is established that they are permanently required for dealing with the normal work of the Govt. The Govt. have stated that this decision will not apply to Depts. which are normally liable to expansion or contraction from year to year nor to posts which have been created for schemes that cannot with certainty be treated as permanent and that where in any office there is only one tempy. post in a particular category between 3 and 5 years old, that post may be made permanent. In para 5 of the above G.O. the Heads of Depts. were asked to submit proposals for the permanent retention of the tempy. establishment in their offices on the basis of the orders in para 3 of the G.O. The Govt. also stated that proposals for the permanent retention of the staff would be entertained only after final orders have been passed on the 12½% cut recommended by the Retrenchment and Reorganization Committee. In G.O. No. 3564, Home, d/3.9.49 the Govt. decided that the view of the I.G. of Police and the Commr. of Police that no retrenchment in the Police Dept. is feasible should be accepted.

2. With reference to para 5 of the G.O. No. 780, Fin., d/19.7.49 the I.G. of Police submitted proposals for the permanent retention of certain gazetted posts in the Police Dept. which have been in existence for over 5 years and 50% of the gazetted posts which were more than 3 years but less than 5 years old. Orders sanctioning the I.G.'s proposals were issued in G.O. No. 4072, Home, d/18.9.50, and 21 posts of Dy.S.Ps. (category 1) were made permanent.

3. The I.G. has now proposed that the posts of one Dy.S.P. and one l.d. clerk originally sanctioned for the Udipi Sub-division may be retained permanently with effect from 9.7.50. He has stated that these posts have been in existence continuously for a period of 5 years and that this staff by completing 5 years of existence by 8.7.50 have qualified for permanent retention. In this connection he has

drawn attention to his letter d/3.3.50 in which he asked for the continuance of the staff for a further period of 1 year. The reasons given by the I.G. for the continuance of the staff were that there are two commercially important ports, namely, Malpe and Gangolli and some small ones with ample scope for smuggling throughout the coast, that this sub-division is bordered in the north by the Bombay State that the routine work including the Spl. Branch work which has increased considerably has to be personally looked into by the D.S.P. as there is no P.A. in the district, that it is impossible for the D.S.P. to manage the affairs of an extensive Sub-division consisting of 8 stations and 3 outposts far away from his headquarters, and that in view of these facts the continuance of the Udipi Sub-division in these days of political and labour unrest and ever-increasing population expanding towns etc. is highly essential. The following table shows the comparative statistics of crimes in the Sub-division.

Circles.	1947 Total	1947 Grave	1948 Total	1948 Grave	1949 Total	1949 Grave
Udipi	632	164	498	128	485	113
Mudabidri	546	188	488	165	475	179

Attention is also invited to the then U.S.'s (Sri R. Prasad) note on pp.4-5 n.f. of the G.O. at (K). In connection with the proposal for the direct recruitment to the M.P.S. during 1950-51 by the absorption of suitable Asst. Comdts. of S.A.P. and a few select Comdts. of the Home Guard, the I.G. of Police took into consideration the vacancies that may result by the permanent retention of the posts of Dy.S.Ps. In that connection he stated that he was taking into consideration the post of Sub-divisional officer, Udipi, as that post would be eligible for permanent retention on completion of 5 years shortly.

4. It is submitted that this post was taken into account while calculating the total number of posts between 3 and 5 years old, 50% of which was made permanent ~~but was taken into account~~ and also in connection with the assessing of the total number of substantive vacancies in the Dy.S.Ps cadre (category 1) to be filled by direct recruitment during 1950-51. As the post has now been in existence for over 5 years and since the necessity for its continuance has been justified, it is for consideration whether the permanent

retention of the Sub-division with effect from 9.7.50 may be sanctioned as proposed.
